

Schedule of event:

Each team can arrive for the competition as early as 11:00 a.m. on Sunday. **The event will be taking place at the Albany JCC 340 Whitehall Rd. Albany NY 12208 from 4-6 p.m. on July 10.** On arrival there will be someone there to assist you and show you where your team will set up.

Teams will be grilling steak, wings and our vegetarian option; portobello mushrooms.

When you arrive to prepare your meat, the ingredients you requested will be on a table and labeled with your name. You will also receive all of your cooking utensils as well as two 18" charcoal grills.

We will provide refreshments for the teams. For Kashrut reasons there is no outside food allowed. If you would like to bring a lawn chair or something comfortable you may.

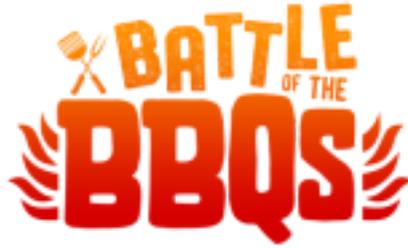

A portion of the food must be ready by **4:00 pm** when the event begins. People come and go throughout the event so you will be putting things on the grill through the entire course of the afternoon.

The event is over at **6:00 pm**. There will be volunteers assisting with cleanup. If the team is able to help clean up their tent area that would be greatly appreciated.

**The Battle of the BBQs will be following all NYS DOH Covid-19 protocols and guidelines.**
